ONLY WANT \$5,000,000 AT PRESENT Floating Liabilities Amount to \$6,000,000

\$1,800,000 at Once.

CHICAGO, Oct. 8 .- Judge Jenkins of the United States court presided today in the continued hearing of the application of the Northern Pacific receivers for leave to Issue \$5,000,000 of receivers' certificates. Henry Payne, one of the receivers, was present, with ex-Senator Spooner of Wisconsin. H. Cordozo of New York represented the second mortgage bondhelders, opposed to the issue, claiming that it was unjust to the second and third mortgage bondholders. At-

torneys for the receivers followed with argunents for the application. Mr. Newell, for the receivers, said the receivers had Habilities aggregating \$6,000,-000 to meet within the next few months and the assets available do not exceed \$400,000. At least \$1,640,000 is due now and must be paid. The honor of the court, which is in control of the road, must be maintained by meeting the liabilities as they fall due. The attorney said that while the attorneys had potitioned for \$5,000,000 they could possibly get along with less, but they must have at least \$1,800,000 to meet pressing debts and carry on the business of the road. He said the receivers would be willing to have the order for the certificates drawn in such a way as to meet the objections of the bondholders.

Mr. Petit followed with an argument in opposition to the certificates. In referring to the securities to be put up by the re-ceivers, he said the Northern Pacific securities were like Northern Pacific memories, considerably below par. It is believed that the result of the argument will be an agree-

ment between the different parties as to the manner of the bond issue.

The argument was concluded in the afternoon and the court decided in favor of the receivers. Judge Jenkins granted the ap-plication for leave to issue certificates to the amount of \$5,000,000 and ordered the recaivers to report to the court on October 22 the bonds which shall have been received for them and the rate of interest offered.

The court took up the report of the master in chancery on the application for the re-moval of Thomas F. Oakes as receiver. The report, which was submitted to the court at Milwaukee some weeks ago, exonerates Oakes from the charges of illegal practices in the manipulation of the Northern Pacific property, and the company and bandholders filed a motion rejecting it. Judge Jenkins said he would devote the evenings of this week to the argument on the motion.

EMIGRANT BUSINESS THE BONE.

Western Lines Threaten to Keopen Ticket Offices in the East. CHICAGO, Oct. 8 .- At today's meeting of the advisory committee of the Emigrant Clearing house of the Western Passenger association a formal protest was sent to the Trunk Line association, declaring that the distribution of the emigrant business was made a matter of agreement between the two associations, and that the action of

trunk line territory. They declare that the invasion of the eastern territory by the western lines is without reason or excuse, and is resulting in much loss of revenue to trunk lines. There is much doubt as to whether the association will pay any attention to the demand, for the reason that the matter is one that is hardly in the jurisdiction of the association agreement, and all the lines are free to act as they see fit in this matter. They first put all their orders in the territory of the eastern lines because they thought they were not being treated with entire just ce in the matter of routing through business, and so took this remedy into their own hands. The association, as an association, will very probably take no action of any kind in the matter. All in all, there seems to be an excellent chance for some warm times between the Western Passenger association and the Trunk Line association

before things are adjusted. PREPARING FOR THE FIGHT.

Union Pacific Will Oppose the Demand of the Great Northern. The club with which the Oregon Railway and Navigation company proposes to beat out the brains of the Union Pacific has been furnished Receiver McNeill by the Great Northern, President Hill having acceded to the demands of a blanket proportion of 29 per cent on all eastern business having western tendencies. But the Union Pacific does not propose to be taken into camp with-

out a struggle, General Passenger Agent Lomax being enroute to Portland to inter-view Receiver McNeill on his proposition.

Mr. Lomax in this fight has a united board of receivers back of him, as well as the general manager, and the fight promises to be one of great importance in the history of transcontinental lines. With the opening of the Portland office by General Agent Baxter it is understood Mr. Thomas Schumacher of the general freight office will go to Portland to coach Mr. Baxter in freight rates, Mr. Schumacher's title to be that of general western freight agent, with headquarters in Portland. Mr. Schumacher has been in charge of transcontinental rates since Mr. Woodworth severed his connection with the Union Pacific. He is in every way an aggressive freight man and will make the

Oregon Railway and Navigation people "hus-tle" for business. Bonds Have Disappeared.

NEW YORK, Oct. 8 .- An evening paper says the committee on reorganization of the Chicago & Northern Pacific railway has discovered that \$2,500,000 of the company's bonds of the value of \$1,000,000 have disappeared from the treasury of the company. The committee has discovered also that some of the securities of the company have been put up as extra margin in loans made by the Northern Pacific company. Members of the committee would not say whether the bonds had been misiaid or lost, or what had become of them.

Pennsylvania Official Changes PITTSBURG, Oct. 8.—Important changes took place today among the Pennsylvania rallway officials. James Recd, superintendent of the West Pennsylvania railroad, re signed. two associations, and that the action of the trunk lines in canceling the agreement without conference and apparently without cause has caused much surprise to the western lines. It is asked that all action in the matter be suspended immediately and until a conference can be held between the two associations in New York. The western lines say that if such a conference is to be held they would prefer that it should be either on October 15 or 17. The protest winds up with the declaration that it is the belief of the western lines that the trunk lines are not willing to push matters so far that the western lines will be forced to take independent action, which simply means that if the trunk lines persist in their present course the western lines will find it necessary to establish ticket offices of their own throughout the east to look after their interests.

The trunk lines have made a demand on the Western Passenger association lines that they at once withdraw all their orders from trunk line territory. They declare that the

A Very Valuable Medicine. There is no medicine so often needed in every home and so admirably adapted to the purposes for which it is intended as Cham-berlain's Pain Balm. Hardly a week passes but some member of the family has need of it. A toothache or headache may be cured by it. A touch of rheumatism or neuralgia quieted. The severe pain of a burn or scald promptly relieved and the sore healed in much less time than when medicine has to be sent for. A sprain may be promptly treated before inflammation sets in, which insures a cure in about one-third of the time otherwise required. Cuts and bruises should receive immediate treatment before the parts become swollen, which can only be done when Pain Balm is kept at hand. A sore throat may be cured before it becomes serious. A lame back relieved and several days of vaiuable time saved or a pain in the side or chest cured without paying a doctor's bill. Procure a 50-cent bottle at once and you will never

ANNOUNCEMENTS. As Letitia Hardy, the hoydenish heroine of "The Belle's Strategem," Julia Marlowe-Taber has another opportunity of demonstrating her native talents as a comedienne. This role borders, in the earlier scenes, on farcical extravagance, and it must be extremely diverting to witness the merry sportiveness of this artiste without the proverbial tear in the smile, that tinge of sadness and tone of seriousness which have heretofore been char-acteristic of all her work. In strong contrast herewith are the pathetic lines and touching herewith are the pathetic lines and touching situations of the title role in Ernest Lacy's tragic dramolet, "Chatterton," the two plays forming an ideal "double bill." The Belle's Strategem" and "Chatterton" will be pre-sented by Miss Marlowe and her company at the Boyd on Friday evening next. This will be one of the novelties of Miss Marlowe's engagement, as neither of these plays have ever been seen here. Her engagement will open on Thursday evening in Sheridan's brit-light comedy, "School for Scandal," and it will be Miss Marlowe's first appearance in that play in this city. At the Saturday mat-inse "The Love Chase" will be the bill and the engagement will close with "Much Ado About Nothing" Saturday evening. The sale of seats will open tomorrow morning at 9

o'clock. Chamberlain's Colle, Cholera and Diarrhoa Remedy.
